## Call for Partner Sports

### **Does your sport have the potential to become part of the SWAS family?**

After two years of successfully providing opportunities for emerging athletes to achieve excellence in sport, the South West Academy of Sport is considering taking on new partner sports.

Sports that partner with SWAS are able to give their athletes access to high performance training and specialist services in their home environment, while raising the standard of their sporting code at a local level.

SWAS invites regional and State sporting associations to demonstrate their interest and potential capacity to enter into a partnership arrangement with the academy.

Sports interested in becoming part of the SWAS family should visit the website for applications at **[www.swaswa.com.au](http://www.swaswa.com.au)**

Further information can be obtained by contacting Megan Pollard by phoning 9795 4504 or emailing [info@swaswa.com.au](mailto:info@swaswa.com.au)

**Closing date for submissions is September 30, 2010.**
