## Freeo dock in town

STUDENTS got to mix with some state sport heroes yesterday when the Fremantle Dockers coach Mark Harvey and players Tim Ruffles, Greg Broughton, Antoni Grover and Casey Sibosado visited Busselton Primary School.

Harvey said the main focus of the talks at the schools was to encourage healthy lifestyles, including embracing teamwork and family ties.

He said the students liked to ask a lot of questions and could tell through their enthusiastic questions there were some who hoped to become football players.

The team have been in Dunsborough for their annual AFL Community Camp, and players visited other schools in the region. They also held a NAB AusKick Superclinic at Dunsborough Playing Field yesterday, followed by training with the South West Academy of Sport players and a fundraising dinner last night for the new Dunsborough sport ground.
