

Fitness and friendship in surf for busy bee

A cuppa with...

Name: Bronte Macaulay.

Chosen sport? Surfing.

Why did you take up your sport of choice? It's a lot of fun and we get good waves down here.

Best achievement? 4th at Aussie titles, U/16s.

Famous athlete you admire? Ace Buchan and Sally Fitzgibbons.

Funniest/most embarrassing moment when competing? Watching dad come second in the Margaret River Boariders Club Championship. He thought he had it in the bag and you couldn't wipe the smile off Sherro's face.

Who do you love to beat and why? My sister Laura, just for a laugh.

Most severe injury from sport? Bruises.

Funniest teammate or competitor? Eden Putland.

What is something most people wouldn't know about you? I'm allergic to cats and bees.

Hobbies aside from sport? Hanging out with friends, watching movies, reading and swimming/raft wars.

Why should people play your sport? It's fun and different, plus you get fit at the same time.

Does the region support your sport enough? SWAS and Smarter Than Smoking support me all the way and when the Margaret River Pro comes to town I get to see and compete with the best surfers in the world.
