

# Tee off for athletes

## GOLF

GOLFERS are being rounded up to raise money for the South West's top athletes.

Up-and-coming athletes, including many from the Busselton shire, will benefit from money raised from the South West Academy of Sport's Corporate Golf Day at All Seasons Sanctuary Golf Resort on September 1.

Teams of four will take part in a game, lunch and barbecue dinner before presentation of prizes.

Academy chief executive Bernice Butlion said money raised would help to finance performance programs.

To register, email [info@swaswa.com.au](mailto:info@swaswa.com.au) or phone 9795 4504. Registration closes on August 18.

SWAS chief executive Bernice Butlion and board member Cliff Anderson are ready to tee off.
