

Scholarships now available

YOUNG athletes around the region are being encouraged to apply for a South West Academy of Sport scholarship.

SWAS scholarships are available to South West residents aged 14 to 18 who are competing at State, national or international levels and whose sport is not included in the academy's set of seven partner sport programs.

Academy chief executive officer Bernice Butlion said SWAS helped

young sports men and women to improve their game and advance through the ranks.

"The individual scholarship program helps talented athletes in a range of sports to shine even brighter," she said.

"Over the past few years we have been proud to see SWAS scholarship holders flourish with assistance from SWAS.

"By offering another round of scholarships, we hope to see even

more young athletes flying the flag for the South West at competitions around Australia and the world.

"We encourage people who meet the criteria to apply for a scholarship."

Applications and criteria are available from the South West Academy of Sport office at the South West Sports Centre in Bunbury, by emailing info@swaswa.com.au or visiting www.swaswa.com.au. Applications close 4.30pm on May 31.
