

International test for two

TWO local athletes will be among 30 South West Academy of Sport hockey talents who get to experience the game at an international level today when they take part in the Field Hockey Equipment (FHE) Cup.

Busselton's Matthew Williamson and Dunsborough's Liam Cremen will take part in the annual event, which gives young players

the opportunity to play hockey on a world stage with teams from Singapore, Japan and Australia competing.

The SWAS athletes have spent the past six weeks preparing for the tournament and will travel to Perth today to take part in the three-day event at Hale Hockey Club.

SWAS head hockey coach Matt

Mellor said the competition will give the SWAS athletes the chance to put their skills to the test in front of a top tier crowd.

"The FHE Cup will give the SWAS hockey players an opportunity to put into practice what they've been training for," Mr Mellor said. "It will also give them a chance to be seen by State selectors and coaches."

South West Academy of Sport athletes Preah Hetherington, Liam Cremen of Dunsborough, Matthew Williamson of Busselton and Candyce Peacock.
