

South West Squad stars

FORTY-eight young men from the South West Academy of Sport football squad were lucky enough to play the curtain raiser for the AFL pre-season game held at Hands Oval in Bunbury between Fremantle and Carlton last weekend.

The Bunbury and Busselton squads combined to play the Harvey Brunswick and Lower South West squads.

Margaret River was represented by Areef Walker, who posted a couple of goals and set up a couple more; Jesse Cummings, who played a full game in a very tight defence line only giving away

two points; and Liam Bourke, who kicked his first goal in a while.

The trio all played serviceable games in what was a one-sided affair as the Bunbury Busselton team dominated the game.

Harry Marsh, Blake Glover and Asher Samelko were also chosen as invitees to the SWAS training sessions that were held in Busselton over the past few weeks.

The South West Academy of Sport hopes to have a team play in the WAFL 15s championships in Perth in October.
