

Rising stars shine in AFL curtain raiser

NINE of Busselton's upcoming football stars will have a chance to shine in front of the big guns when they play a curtain raiser to the NAB Challenge match between the Fremantle Dockers and Carlton in Bunbury tomorrow.

Tim Grylls, Mike Galliers, Jackson Arbon, Jacob Kosicki, Mitchell Fraser, Jason Fish, Laclan Micale, Alex Mezger, Joel Avery and Dylan Ness will be led by Busselton's Brad Fraser, who is coaching the South West team and co-coach Sinan Kerimofski.

The South West Academy of Sport has formed two teams — Brad Fraser's South West side and a team created with Peel and Lower South West players.

"This is huge for the players as they are expecting 8000-10,000 spectators," he said.

The academy described the event as a unique chance for the SWAS football program to showcase its talent and reward the players for their hard work to date.

The curtain raiser bounce down is at 1.45pm at Hands Oval, followed by the AFL match at 4pm.
