

South West Academy of Sport set to deliver new scholarships

THE South West Academy of Sport is once again giving up-and-coming athletes the opportunity to take their game to the next level through a scholarship.

For the second consecutive year, scholarships are being offered to outstanding young athletes whose sport is not covered by the academy's partner programs of Australian Rules football, soccer, basketball and hockey.

SWAS chief executive officer Bernice Butlion said scholarships would benefit athletes who were excelling in their field and had been selected for State or national squads, teams or events.

"In its first year, the SWAS's individual athlete program provided the necessary support to help 10 promising athletes rise through the ranks," she said.

The current round of scholarships

is available to South West residents aged 14 to 18 who meet the necessary criteria.

Applications are available from the South West Academy of Sport office at the South West Sports Centre in Bunbury, by emailing info@swaswa.com.au or by visiting www.swaswa.com.au.

Applications close 4.30pm December 1. For more information phone SWAS on 9795 4504.
