

# Academy scholarships open for new year

**ACADEMY:** The South West Academy of Sport is once again giving up-and-coming athletes the opportunity to take their game to the next level.

For the second consecutive year, scholarships are being offered to outstanding young athletes whose sport is not covered by the academy's partner programs of football, soccer, basketball and hockey.

SWAS chief executive officer Bernice Butlion said scholarships would benefit athletes who had been selected for State or national squads, teams or

events.

"The South West Academy of Sport's individual athlete program provided the necessary support to help 10 promising athletes rise through the ranks," she said.

Scholarships are available to those aged from 14 to 18 years old who meet necessary criteria.

Applications are available from the SWAS office at the South West Sports Centre or by going to the website [www.swaswa.com.au](http://www.swaswa.com.au)

Applications close 4.30pm December 1.
