

Win scholarship

YOUNG South West residents excelling in sport will soon have the opportunity to apply for a scholarship through the South West Academy of Sport.

Scholarships will be offered to talented athletes whose sport is not covered by the academy's partner programs of Australian Rules football, soccer, basketball and hockey.

Academy chief executive Bernice Butlion said applications for scholarships would be called for at the end of this month.

"While there is still time until the individual athlete program is advertised, it is time for people to start thinking about applying," she said.

"If you are good enough and match the criteria of one of the four scholarship categories there's no reason why you shouldn't apply.
